

Next Steps in Mapping Application: State Perspective

George W. Putnam

IL Dept. of Employment Security

LED Annual Conference

January 27 – 28, 2005

Overview

- IL/MO joint project in mapping pilot
- Next steps- lessons learned

IL/MO Joint Project

- St. Louis Metropolitan Statistical Area- interstate
- Current knowledge base
 - transportation
 - labor market information
- Gaps in knowledge base

Next Steps

- Utilize information feedback
state practices
automated tools
- Broaden base —————> broaden products
- Balance breadth and detail
- Create efficient infrastructure
